Brand New Book ***** Print on Demand *****.Every year many wrong decisions are made by Referees during football matches; as a result, teams are knocked out of Champions Leagues by fake goals - penalties are awarded to players who dive in the penalty area; offside goals are allowed and legitimate goals are ruled out as offside goals. Many nations miss out on World Cup qualifications because of red cards that were issued to their players for fouls the players had not committed; and in leagues all around the world, teams are relegated because of refereeing errors while teams that may have been relegated, remain in higher divisions. Sadly, there have been death threats made on Referees after video replays showed that they made mistakes which cost teams and nations valuable points, qualifications and trophies. And these death threats are not only irresponsible but criminal. But If Referees are humans and not angels as FIFA wants us to believe; do they need help, and can video technology be the answer? Should video replays be approved to help Referees avoid these monumental errors or should the game...
