Hidden History of the Outer Banks (Paperback)

By Sarah Downing

History Press (SC), United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The history of North Carolina's Outer Banks is as ancient and mesmerizing as its beaches. Much has been documented, but many stories were lost--until now. Join local author and historian Sarah Downing as she reveals a past of the Outer Banks eroded by time and tides. Revel in the nostalgic days of the Carolina Beach Pavilion, stand in the shadows of windmills that once lined the coast and learn how native islanders honor those aviation giants, the Wright brothers. Downing's vignettes adventure through windswept dunes, dive deep in search of the lost ironclad the Monitor and lament the decline of the diamondback terrapin. Break out the beach chair and let your mind soak in the salty bygone days of these famed coastal extremities.

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ms. Fatima Erdman**

This composed book is fantastic. it absolutely was writtern quite properly and helpful. I am very happy to explain how this is the very best ebook i actually have read during my own existence and may be he best pdf for actually.
