Phillip Y.P. Jen, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Anatomy and Physiology I - Essential Texts and Review provides the reader with a basic understanding of human anatomy and physiology, suitable for SEMESTER ONE introductory anatomy courses at university and college levels. This text contains detailed and up-to-date information complemented with concise graphics to further the understanding of the topic at hand. Principles of Anatomy and Physiology I covers a variety of topics, beginning with the levels of organization of the body, progressing to basic chemistry, and provides an overview of epithelial tissues, the skeletal system, the muscular system, the nervous system, the central nervous system, and the senses. The text is written to provide students with a firm foundation and to secure their success in Allied Health Fields, as well as more advanced Anatomy and Physiology courses. Many chapters contain grey boxes, where clinical information or case studies are presented. All chapters finish with challenging review questions obtained from real exams provided by experienced professors.
