

Report of the Sanitary Commission of New Orleans on the Epidemic Yellow Fever of 1853 (Paperback)

Filesize: 9.7 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1854 Excerpt: .and decline are not illustrative of this truth. In the flourishing condition of empires, disease has been kept at bay--industry and cultivation has kept pace with population, the arts and sciences have flourished, and man has fulfilled the great end of his being. With the decay of the arts and enervation of a people, cultivation has been abandoned--negligence has supplied the place of industry, and the mouldering columns and dilapidated palaces are the sure forerunners of the pestilence that sweeps its desolating besom over the land, and finishes that which man has commenced. The sombre aspect of the Ottoman Empire, and the flourishing condition of Great Britain, furnish impressive pictures of the truth of these remarks--the former being in the most neglected and sickly state--the latter the best cultivated and healthiest country in Europe. It is thus that fate, foredoomed by negligence and ignorance of invariable physical A -hown in an moral laws, advances to destroy the cherished pride of England and many ages. Rome once the queen of cities, is following the Turkey, con-fate of Babylon, and from the same cause, is daily diminishing irutcd, and in population. Pestilence advances from street to street, and with ii T, .(S already become the sole tenant of some of its finest palaces, eountnn. temples and churches. Rome, indeed, might be singled out, as affording in itself and as a warning to us, a history of most that is interesting in the police of...
