It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

DIRECT PAY: A SIMPLER WAY TO PRACTICE MEDICINE (PAPERBACK)

Taylor Francis Inc, United States, 2015. Paperback. Book Condition: New. 235 x 158 mm. Language: English . Brand New Book. Direct Pay: A Simpler Way to Practice Medicine examines the direct pay business model as a policy alternative and potential policy solution to the economic, technological, and sociocultural problems that have emerged for practicing physicians as a result of the Affordable Care Act. The book analyzes the organizational style and culture of the participating direct pay practices using theoretical and practical tests of the Competing Values Framework. It not only gauges the practices and policy implementation of direct pay practices, but also searches for variations between pure versus hybrid organizational identity of direct pay practices, and variations between direct pay practices operating on all-inclusive, fee-for-care (FFC) models versus fee-for-service (FFS) payment models. Providing a fundamental understanding of direct pay, the book highlights emerging trends and supplies authoritative analysis on how the direct pay business model can help to advance the practice of medicine through improved efficiency and...
