## AGRICULTURE AND RELATED AGENCIES: FY2015 APPROPRIATIONS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Agriculture appropriations bill funds the U.S. Department of Agriculture (USDA), except for the Forest Service. It includes the Food and Drug Administration (FDA) and-in the House and in even-numbered enacted fiscal years-the Commodity Futures Trading Commission (CFTC). The FY2015 Agriculture and Related Agencies appropriation was enacted as Division A of the FY2015 Consolidated Appropriations Act, P.L. 113-235 (December 16, 2014), an omnibus appropriation that included 11 of the 12 appropriations subcommittee bills. Although the fiscal year began under a continuing resolution, the House and Senate Appropriations Committees reported their Agriculture appropriations bills (H.R. 4800 and S. 2389) in May 2014-the earliest joint action in years. The House considered H.R. 4800 on the floor on June 11, 2014, procedurally read through most of the bill, and adopted several amendments. The bill was left unfinished when floor action was suspended due to House Whip leadership changes. The Senate considered a minibus appropriations bill on June 19, 2014, that included the Agriculture bill. But Senate consideration quickly stopped over a disagreement about procedures for amendments. The official, enacted discretionary total in the FY2015 Agriculture appropriation is \$20.575 billion, which is \$90 million less than (-0.4 ) the comparable Senate-basis amount for FY2014 that excludes CFTC. On a House jurisdiction basis that includes CFTC, the FY2015 discretionary appropriation effectively is \$20.825 billion, which is \$55 million less than (-0.3 ) the comparable, official FY2014 amount. Despite the small decrease overall, many agencies receive small increases compared with FY2014. In addition to these amounts, the FY2015 appropriation includes another \$116 million of emergency spending that does not count against the discretionary allocation, including \$91 million for agricultural conservation and \$25 million for...
