Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

The History of Phi Kappa Psi is a thing done! No matter whether the verdict of the author s constituency is favorable or derogatory, the work remains. It must plead its own case, and with the verdict I am content. To the work a large and increasing enthusiasm has been brought, and in the prosecution of it time has seemed no loss, although much has been done when brain and heart were o erwrought with other toil. Of the detailed sources of that which follows, it is proper to speak in this place. The Historian has been especially fortunate in having in his possession during the past two years the original minute books of Pennsylvania Alpha and Virginia Alpha, and these have been of incalculable value. In addition to these he has had also the archives of a number of the inactive chapters, the minute books of successive Grand Chapters and records of practically all of the Grand Arch Councils. A number of brothers, whose interest in this work has been perennial, have sent to me many bits of interesting material in the form of letters, programs, catalogues, periodicals, and personal reminiscences. Much of this material was only corroborative, but it was none the less acceptable. It is a matter of very great pleasure to express the obligation of the Historian, and therefore of the fraternity, for the precious memorials secured on the occasion of his visit to Riverview, the magnificent country home of Judge Moore. A special Phi Psi Providence must have been guarding...
