CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The design or scope of the work comprehends, however, not merely the giving of a series of plans, or suggestions for plans, but also occasional alternative arrangements adapted to one and the same plan; showing how, by altering not only the relative position of the apartments, but parts of the apartments themselves, as position of doors, windows, and fireplaces, certain disadvantages in the one plan may be obviated, and more convenient and more economical arrangements obtained in the other. In addition to plans of houses of various grades, designs for Out-buildings and Stables-are also given. These will be useful as affording hints to those who contemplate keeping, at their Country Houses or Suburban Villas, a small herd of dairy cattle, or a stud of horses. To serve in some measure as practical hints to the Student of Architecture, and to House Proprietors, as affording suggestions for the style of decoration they would like to adopt, a series of examples are given comprising Doors, Windows, Chimneys, and c. Still further to render the work practically useful in all departments,...
