THE BEGINNING OF WISDOM: PRAYERS FOR GROWTH AND UNDERSTANDING

Random House, Inc., 1995. Hardcover. Book Condition: New. Dust Jacket Condition: Fine DJ. 1st Edition. Random House, Inc. 1995 1st Edition New/Fine DJ Editorial Reviews From Believing that the journey toward wisdom should be surrounded by prayer, Bucknell and Ashcroft (both professors of English at Bethel College in St. Paul, Minn.) have compiled prayers from those who, by their lives, would seem to have pursued the journey in that way. Divided into six chapters, the selections begin with "prayers of praise and thanksgiving to the Source of wisdom" and end with "concluding prayers for vision and beyond." The men and women who have prayed these words are from both ancient and modern times and from every walk of life. While the prayers arranged here could certainly be used as daily, personal meditations, and while they could likewise work well in group settings, perhaps the greater enrichment is the insight and comforting guidance this collection gives just by allowing us to see how others meet and have met God in prayer. 1995 Product DescriptionAs America witnesses a resurgence of interest in spirituality, the renewed attention for soul and spirit leaves many wondering quite simply how to pray. Becknell and Ashcroft answer this essential question with a rich collection of prayers from around the world, spanning ancient as well as contemporary times.
