A Significant Life: Human Meaning in a Silent Universe (Paperback)

By Todd May

The University of Chicago Press, United States, 2016.
 Paperback. Book Condition: New. Reprint. 216 x 140 mm.
 Language: English . Brand New Book. What makes for a good life, or a beautiful one, or, perhaps most important, a meaningful one? Throughout history most of us have looked to our faith, our relationships, or our deeds for the answer. But in *A Significant Life*, philosopher Todd May offers an exhilarating new way of thinking about these questions, one deeply attuned to life as it actually is: a work in progress, a journey and often a narrative. Offering moving accounts of his own life and memories alongside rich engagements with philosophers from Aristotle to Heidegger, he shows us where to find the significance of our lives: in the way we live them. May starts by looking at the fundamental fact that life unfolds over time, and as it does so, it begins to develop certain qualities, certain themes. Our lives can be marked by intensity, curiosity, perseverance, or many other qualities that become guiding narrative values. These values lend meanings to our lives that are distinct from but also interact with the universal values we are taught to cultivate, such as goodness...
