James Lasdun celebrates Chekhov on the 150th anniversary of his birth. The canonised writers of the past have a tendency to assume a fixed expression in their readers imaginations. Dostoevsky always appears in the same aura of morbidly enthralling hysteria; Proust in the same velvety atmosphere of hyper-attuned sensory receptiveness. To think of Tolstoy is to conjure, at once, the note of impassive grandeur, as of creation being set out in glittering ranks for inspection. Anton Chekhov, whose short career was as momentous as any of these, has his own distinct tone and manner, but the impression it leaves is curiously elusive, offering reticence and hesitation in place of personality, and a series of moods rather than a discernible attitude to life, even the attitude of uncertainty. This elusiveness - a feature of both the life and the work - is a large part of what gives him his enduring...
