

## What Nurses Know - Menopause (Paperback)

By Karen Roush

Demos Medical Publishing, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Menopause, the end of menstruation and fertility, is a natural biological process, not a medical condition. Even so, the physical and emotional symptoms of menopause can disrupt a women s life and require treatment if severe. Very often, women arrive at their menopause years without knowing anything of what they might expect, or when or how the process starts and how long it may last. Many women have not been informed about this stage of life, in the US it may often be the case that Physicians, older female family members or members of a women s social group have provided no insight or information. With confusion over the risks of oestrogen therapy, the proliferation of alternative therapies, concerns about Osteoporosis and Heart Disease and questions about sexual health, the need for clear useful information is endless. What Nurses Know.Menopause sheds new light on this natural biological process and its symptoms from a trusted source: Nurses. Simply organised and clearly written What Nurses Know.Menopause provides individuals, their families, friends and healthcare practitioners the answers they need and want. Special features...
