University of Illinois Press, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. LI LI LI LI LI /\* Style Definitions \*/ table.MsoNormalTable This unique sports and labor history charts the revolutionary transformation of track and field over the past thirty years. In this time, the sport has changed from an amateur effort whose governing bodies unfairly controlled its athletes lives to a professional arena in which athletes have the power to make decisions in their own best interests. While historians have chronicled labor history in team sports such as baseball and football or have lumped track and field into larger studies of Olympic history, Joseph M. Turrini is the first to scrupulously detail the efforts of athletes to reorder labor relations in track and field and to end their decades-long power struggle with governing bodies. Combining social and institutional history and incorporating the recollections of the athletes and meet directors on the front lines, The End of Amateurism in Track and Field shows how the athletes thoroughly transformed their sport to end the amateur system in the early 1990s--changes that allowed the athletes to market their potential, drastically increase their earning...
