ALFRED S ESSENTIALS OF MUSIC THEORY SOFTWARE, VERSION 3 NETWORK VERSION, COMPLETE VOLUME: FOR 5 USERS---$40 EACH ADDITIONAL USER, SOFTWARE

Alfred Publishing Co., Inc., United States, 2010. CD-ROM. Book Condition: New. 193 x 135 mm. Language: English . Brand New. The award-winning theory software, Alfreds Essential s of Music Theory, is now available in a new and updated Version 3! This software features a fresh new interface and more activities to teach students everything they need to know about music theory. The Student Version includes narration and animation of music theory concepts through lessons, exercises, games, tests and ear training with recordings of a variety of acoustic instruments to motivate students while strengthening musical skills. The program includes randomized exercises, ear training and graded reviews for each unit. A complete glossary of musical terms and symbols with written definitions, pronunciations and visual/aural examples is also included. New features for the Network Version include greater options for educators to customize lessons, the audio, text and images used for lessons, the number and style of questions on the customized tests, and even the contents of the terms glossary. It also offers enhanced user, group and profile maintenance options for educators to organize and track multiple students progress, as well as advanced tools for user permissions and network setup. The Network Version of the software allows for the unlimited creation of student records and the printing of individual scores, printing of class lists, importing and exporting of student records in batches, and the setting of a minimum grade requirement that students must meet to advance to the next level. Student scores are recorded automatically to the network, allowing the most efficient tracking of students progress. New features for the Network Version include greater options for educators to customize lessons, the audio, text and images used for lessons, the number and style of questions on the customized tests, and even the contents of the...
