Lulu.com, United States, 2005. Paperback. Book Condition: New. 224 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SCULPTURED NAILS AND NAPPY HAIR is the widely acclaimed, debut text by LINCOLN PARK; one of the Nation s most prolific writers of AFROpulp fiction novels. Throughout each of the four short stories in this riveting collection, these most unlikely, Black heroines of the 1980 s are forced to address issues such as paternal death, love triangles, entrepreneurship and premeditated murder. What is AFROpulp? AFROpulp is fiction writing that explores Pulp Fiction from a multicultural perspective. It is not for the faint of heart or the self-righteous, though. The language and subject matter can get rough. AFROpulp books combine sci-fi; murder, sex, mystery and life as a minority in America into neat little packages of complexity. Neat Complexity. See what we mean? LOL.
