Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Malthere Publications Ltd, United Kingdom, 2015. Paperback. Book Condition: New. Numbered edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This comprehensive nomenclature will be ordered by the chronology of the published books and within it sometimes by the alphabetical order of the characters. Following the Who s Who of characters, you will find a What s what section, a list of created or combined words with their meanings in a future Compendium. There are a fair few occasions where I applied this poetic license to fit closely to the heartbeat of the story or a particular individual within it. The last sections are the peep-holes to the future publications relating to those stories, spin-offs, prequels or next instalments to look forward to. It will offer the tangible glimpse of what is coming next or what happened before. You will have to bear in mind that what I let out in the open in any given time is a small portion of the rest, of my inner fictional Universes which have been created since I could draw creatures from foxes to unicorns, hence decades. Others fancy building houses during that time which they can not take to their graves, yet I have learnt that my body is my only property to take elsewhere, my words and actions to be, are my only legacy. Drawings and sometimes pictures are illustrating characters. I will offer the description of some characters as I see them but also they came about to be in my mind. The Who s who sections will benefit of numerous quotes to enrich the portraits of each character. Like living beings, they evolve instalment after instalment, adding to their complexity. The self secure Archangel Gabriel found in the first tome of It-666 differs...
