P8968 2006e OCLC Number: (OCoLC)85813334 Subject: Grants-in-aid -- Monitoring -- United States. Excerpt: . . . 9 We think these steps, along with the changes the GAO rec-ommends to our monitoring and closeout procedures, will help strengthen our internal controls. Now to the area of environmental results. GAO and the OIG point out the need for grant work plans with measurable outcomes and results. They are right. Virtually all of our grant work plans have qualitative outcomes, but less than a fifth have quantitative outcomes. We are, therefore, training our project officers how to better define measures and evaluate the grantees performance. In addition, we are going to be implementing GAOs rec-ommendation to develop new environmental performance measures under the grants management plan. We are developing a standard-ized template for grant agreements with States, particularly for State continuing environmental program grants and performance partnership grants. This is a new template that will link to EPAs strategic plan and link to long-term and annual goals, and include regular performance reporting. It will help us compare States past performance and their future plans so...
