## GEN-Ops

By Clifford B Bowyer

Silver Leaf Books. Paperback. Book Condition: New. Paperback. 486 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Genetic manipulation and enhancement becomes the key to evolution being worked on by scientists from around the globe who are privy to a discovery found in the heart of a catastrophic storm that devastated Earth. With the research conducted, test subjects show augmentation in all facets of being, from physical fitness to prowess to acuity. Beyond the obvious evolution to the test subjects, the discovery also led to vast scientific, medical, and militaristic breakthroughs that normally would have taken generations to achieve. But not all of the scientists on the project were willing to work in secrecy and with no personal gain. A handful of the lead scientists contacted foreign powers and agreed to sell the technology to the highest bidders as long as they were extracted. Logan Stone, Captain of Shadow Recon, was deployed to the secret underground facility that had been breached. Arriving too late, he and his team only found more questions than answers. Before they could discover what was really going on, they were pulled out by a classified military unit and ordered back to base. Twenty years later, Stone had...
