By Hermann Vogel

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Photographer s Pocket Reference-Book and Dictionary: An Alphabetically Arranged Collection of Practically Important Hints on the Construction of the Gallery; Selection and Trial of Lenses and Chemicals; Approved Formulae for the Different Photographic Processes; Tables of Weights and Measures; Rules for Avoi By an uninterrupted intercourse with many practical photographers, assistants, and scholars, I observed that the best of handbooks on photography, and the most instructive periodicals, leave a want, in so far as it is a matter of difficulty to find exactly that which is required at the moment. Useful directions on the construction of the gallery; on the preparation of the collodion and silver bath; the causes and the remedies of failures in the positive and negative processes; dry-plate process; instructions on the selection and use of the objectives, c., are often lost, because they are not readily found. There is not sufficient time at one s disposal to read whole pages in order to discover the particular line which is

Reviews

It becomes an amazing book which i actually have at any time study. It is actually loaded with wisdom and knowledge You wont sense monotony at at any time of your respective time (that's what catalogues are for regarding should you request me).
