

The Betrayal of the American Dream (First Trade Paper Edition)

Filesize: 6.86 MB

Reviews

It is easy in study better to understand. Of course, it is actually play, nonetheless an amazing and interesting literature. I am quickly could possibly get a satisfaction of reading through a published ebook.

(Ms. Lucinda Koelpin)

THE BETRAYAL OF THE AMERICAN DREAM (FIRST TRADE PAPER EDITION)

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, The Betrayal of the American Dream (First Trade Paper Edition), Donald L. Barlett, James B. Steele, A New York Times bestseller America's unique prosperity is based on its creation of a middle class. In the twentieth century, that middle class provided the workforce, the educated skills, and the demand that gave life to the world's greatest consumer economy. It was innovative and dynamic; it eclipsed old imperial systems and colonial archetypes. It gave rise to a dream: that if you worked hard and followed the rules you would prosper in America, and your children would enjoy a better life than yours. The American dream was the lure to gifted immigrants and the birthright opportunity for every American citizen. It is as important a part of the history of the country as the passing of the Bill of Rights, the outcome of the battle of Gettysburg, or the space program. Incredibly, however, for more than thirty years, government and big business in America have conspired to roll back the American dream. What was once accessible to a wide swath of the population is increasingly open only to a privileged few. The story of how the American middle class has been systematically impoverished and its prospects thwarted in favor of a new ruling elite is at the heart of this extraordinarily timely and revealing book, whose devastating findings from two of the finest investigative reporters in the country will leave you astonished and angry.
