Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Juvenile Labour Exchanges and After-Care It is hoped that this little book will be of service to members of Juvenile Advisory Committees and others interested in the problems of Adolescence. At the present time much thought and effort are being directed towards the various aspects of child life. There are in operation schemes of Infant Care, and of Child Care; Adolescent Care is now beginning to receive serious attention. I would suggest that all such activity should be planned with a view to the ultimate co-ordination of all juvenile welfare organisations, when the time arrives, into one comprehensive scheme. I have not attempted to deal at all fully with the problems of juvenile labour, or with all that is being done to meet the evils arising from boy and girl employment. I have dealt with these matters merely in order to make clear the nature of the problems to be faced and to give some indication of the kind of efforts that are being made to face them. My best thanks are due to Mr. Sidney Webb for contributing an Introduction, and to my friend Frederic Keeling, whose book on The Labour Exchange in Relation to Boy and Girl Labour should be read in conjunction with the following pages.
