

The Concept of the State in International Relations: Philosophy, Sovereignty and Cosmopolitanism (Paperback)

By STIRK PETER M R

EDINBURGH UNIVERSITY PRESS, United Kingdom, 2016.
Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. A critical reassessment of the concepts of the state and sovereignty in international relations theory The concept of the state plays a central role in international relations, particularly in realist and neo-realist approaches. Yet, the meaning of the state is persistently taken to be self-evident by both advocates of the sovereign state and its critics. This volume counters this trend. It systematically considers the nature of the state, the concept of sovereignty and the challenges globalisation and cosmopolitanism. Featuring contributions from some of the most reputed theorists of the state, the essays in this collection give you a coherent and, at the same time, distinctively pluralist set of original reflections on the role and nature of the state.

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Adell Lubowitz**

Thorough information! Its such a excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
