

What Is Happening? (Paperback)

By Gerry Agnew

True Directions, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The book deals with the unbelievable mess we are currently in, economically. I have found a mathematical cycle in the Bible (book of Daniel) that ties in very closely with US history so far as well as what is likely to happen in the next few decades. This is mathematical and is based on the number pi (3.1416) and is explained fully in segment 1, chapter 1. It is also allied with the New Testament book of Revelation. The US is desperate for oil and fresh water and I believe the next US President (Hillary Clinton) wants, and she has said this in a major speech November 2013, a much closer relationship between the three NAFTA countries in North America. This means Mexican labor and Canadian natural resources coming into the United States. A merger between Canada and the United States is probably quite likely in my view, sooner rather than later. Another Segment deals with alternative energy sources of varying descriptions, and the last segment deals with something key for the global economy going forward: the...
