Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Can you solve the case called The Strange Case of the Disappearing Presents ? Here s the scenario: The people of Spruce Valley were nervous. Two days of heavy snow had kept everybody inside their houses, as well as cutting off the town from the outside world. Nobody wanted a third snow day to spoil preparations for the Christmas celebration. Happily, the weather broke early on Christmas Eve morning, and snowplows began clearing the town s streets even though the roads into and out of town were still clogged with snow. People went about their business. There was much to catch up on! The festivities were to take place in the town square with its huge Christmas tree. Every year, Hamley-Schwarz, the largest toy shop in town, wraps 100 presents and arranges them beneath the tree. After carols and Christmas cookies, the much-loved Mayor Bailey, dresses as Santa and arrives on a sleigh, then hands out the presents to the town s children. By six o clock everything was ready, and a soft snowfall welcomed the townsfolk to the beautifully decorated square. The town clock chimed six times, and the music began. But behind the scenes is panic. Christine Cringle, the person in charge of the presents, has discovered that all of the presents have vanished! Only a small group of people knows about the theft,...
